Rule Amendments for FY 12-13

During FY 12-13, the Board drafted new rules and amended several existing rules in a continued effort to improve the quality of health care, increase patient safety and to increase the efficiency of the Board. Some rule highlights are noted below:

Board of Medicine Rules:

- **Rule 64B8-1.007, FAC – List of Approved Forms, Incorporated**
This rule was amended to incorporate revised forms.
- **Rule 64B8-2.001, FAC – Definitions**
This rule was amended to delete language regarding the passing score on the FLEX examination.
- **Rule 64B8-3.002, FAC – Application, Certification, Registration and Licensure Fees**
This rule was amended to change the required time frame from 30 days to 180 days to be more consistent with the statute. It was also revised with regard to payment of pro-rated fees since the licensing cycles have been changed and this provision was no longer applicable.
- **Rule 64B8-4.004, FAC – Approved Residency or Fellowship; Definitions**
This rule was amended to add the American Board of Oral and Maxillofacial Surgery to the rule as an approved residency.
- **Rule 64B8-4.009, FAC - Applications**
This rule was amended to incorporate revised applications which were revised to eliminate or clarify certain requirements for licensure.
- **Rule 64B8-4.025, FAC – Licensure Under Supervision**
Work was completed on this rule to clarify requirements for those who are granted a license conditioned upon practice under supervision.
- **Rule 64B8-5.001, FAC - Examinations**
This rule was amended to add appropriate language regarding the passing score on the FLEX examination which was being removed from Rule 64B8-2.001, FAC.
- **Rule 64B8-8.001, FAC – Disciplinary Guidelines**
This rule underwent a technical change related to an incorrect citation.
- **Rule 64B8-9.003, FAC – Standards for Adequacy of Medical Records**
Work was completed on this rule to address appropriate content of medical records following the New England Compounding Center incident.
- **Rule 64B8-9.007, FAC – Standards of Practice (Pause Rule)**
This rule was amended to clarify the definition of surgery. It also amended the requirements for confirmation of the patient’s identity, confirmation of the procedure being performed and confirmation the correct surgical site with another licensed healthcare practitioner. Additional language was added to ensure the pause is performed again if the physician leaves the surgical suit after the initial pause was performed.

- Rule 64B8-10.003, FAC – Costs for Reproduction of Medical Records
This rule was amended to changes the costs a physician may charge for reproduction of medical records.
- Rule 64B8-11.001, FAC - Advertising
This rule was amended to clarify requirements with regard to advertising and set for the criteria for tri-annual review of entities holding themselves out as board certified in dermatology.
- Rule 64B8-15.002, FAC – Introduction
This rule was amended to delete unnecessary language from the rule and to incorporate the most recent LCME publication entitled, “Functions and Structure of a Medical School” to determine reasonable comparability for foreign medical schools.

Physician Assistant Rules:

- Rule 64B8-30.003, FAC – Physician Assistant Licensure
This rule was amended to incorporate the revised application form in the rule and to make appropriate modifications resulting from recent amendments to the statute.
- Rule 64B8-30.005, FAC – Physician Assistant Licensure Renewal and Reactivation
This rule was amended to clarify language with regard to PA prescribing in response to recent amendments to the statute.
- Rule 64B8-30.019, FAC – Fees Regarding Physician Assistants
This rule was amended to clarify language with regard to PA prescribing resulting from recent amendments to the statute.

Other Related Rules:

- Rule 64B8-35.001, FAC – Standards for Protocols
This rule was amended to require ARNP protocols be filed with the Department within thirty days of the renewal of the ARNP’s license.

Office Surgery Registration and Inspection Program Rules

- Rule 64B8-9.009, FAC – Standard of Care for Office Surgery
This rule was amended to require physicians maintain surgical logs for six years following the last patient contact. The rule was also amended to clarify the appropriate medications and supplies to be utilized on the crash cart in certain office settings. Another amendment was made to implement 2012 Legislation which required facilities to register if they were removing more than 1000 ccs of supernatant fat during liposuction. The last amendment to be made addressed the requirement for transfer agreements and to clarify when transfer agreements are required.
- Rule 64B8-9.0091, FAC – Requirement for Physician Office Registration; Inspection or Accreditation
This rule was amended to implement 2012 Legislation which required facilities to register if they were removing more than 1000 ccs of supernatant fat during liposuction.

Board, Committee and Regulatory Meetings FY 12-13
